

**DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I declare:

that my residence, post office address, and citizenship are as stated below next to my name;

that I believe I am an original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention or design entitled *System and Method for Plasma Plating*, the specification of which was filed on October 26, 1999 and assigned Serial No. 09/427,775 in the United States Patent and Trademark Office;

that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above; and

that I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I hereby appoint:

John P. Pinkerton  
Robert J. Ward

Reg. No. 28,746  
Reg. No. 38,652

all of the firm of Worsham, Forsythe & Wooldridge, L.L.P., as my attorneys with full power of substitution and revocation, to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith, and to file and prosecute any international patent applications filed thereon before any international authorities.
